CAPABILITY STATEMENT

Company:

Selecting the right marketing firm to engage niche markets and underserved populations can transition your results from good to great! The Voice of Your Customer is a marketing firm that assists clients to penetrate niche markets. The Voice of Your Customer designs customized marketing programs that offer instant information regarding the experiences, preferences and behaviors of niche markets, allowing business leaders to immediately implement desired objectives.

Located in a federally qualified HUB Zone, The Voice of Your Customer operates with full and part time employees, subcontractors and strategic partners in the US, the Caribbean, Latin America and Africa. Our research and training facilities, call center, and community partnerships enable us to assist our clients to create raving fans and to increase profitability by improving employee retention, establishing industry recognition, and building a competitive advantage.

Key Services:

Research and Assessments that use a variety of tools to gather information used to complete an independent review of products, services, facilities and direct competition. Customized reports include video/audio recordings, manuscripts and research findings in summary and detail with recommendations for change.

Research methods include: Interviews/Observations, Facilitations, Focus Groups, Focus Panels, In-Depth Interviews, Mock Juries and Online Research.

Mystery Observations and Program Compliance that offers an independent audit and analysis of employee performance, compliance and/or customer interactions. Customized reports may include video/audio recordings, manuscripts, test results and research findings in summary and detail with recommendations for improvement. Research methods include: Secret Shopping, Discrimination Testing and Operations Audits.

Power Training Sessions that offer participants an introduction to a variety of subject matters using best in class examples, interactive activities, worksheets and role playing to reinforce principles. We incorporate the vocabulary, culture and goals of your organization into the training program to offer participants relevant examples of desired outcomes. We offer a very affordable option to business training that ensures changes in behaviors and ownership of corporate objectives while maintaining an acceptable level of productivity in the workplace.

Media Campaigns that use market research, advertising, public relations strategies, online services, street teams, event sponsorships, collateral materials and networking to promote events, products and initiatives. Our approach consistently yields an increase in activity and a change in consumer behavior.

Call Center Operations that offer inbound and outbound call processing using telephone systems, data input and retrieval, and recording devices. Our call center operations are often used to complete survey research, compliance and audit initiatives, mystery observations, media campaigns, and event registrations.

We specialize in penetrating hard to reach and niche markets!
